
Important Update: Possible Changes to Medicare Telehealth Services

Dear SNAHC Patient,

We want to let you know that starting October 1, 2025, absent Congressional action to extend telehealth flexibilities you should expect the following changes:

Medical Appointments

- Medicare patients will no longer be able to receive telehealth services for non-behavioral health care.
- You will still have Medicare coverage. You will just need to come to our office for your medical appointment.

Behavioral Health Appointments

- Depending on the date of your last in-person visit, you may qualify for telehealth. Contact us at (916) 341-0575 for confirmation.

What you need to do:

- If you already have an in-person visit scheduled, you don't need to do anything.
- *If you have a Medicare telehealth visit scheduled, please contact us at (916) 341-0575 to discuss further.*

Thank you for trusting us with your care. We look forward to seeing you in person.

Sincerely,
The Sacramento Native American Health Center
